MARKING

The products shall be marked with the Kiwa®-mark.
The realization of the marks is as follows: clear, durable and indelible on every clip and product packaging.

The clips shall be marked with at least the following marks:

- Word mark **Kiwa** or KK *;
- manufacture's name, trade name;
- nominal outside diameter in mm of the pipe;
- production date or production code*.

Marking with BRL-K 506 is optional.

* For small fittings marking with KK only is allowed. These indications may, if not otherwise possible, be provided together with the smallest packaging unit.

APPLICATION AND USE

The products are designated for the fastening of cold- and hot water copper or plastic pipes.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- Walraven B.V.

and, if necessary,

- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
